Friday's Council meeting is at 10am.

Nate (CD 14) is recommending LT folks try to come out just in case.

Ah, thank you for this update!!! Do we know the time of the meeting on Friday? Is it 10am again? And do we know which council offices they were calling? I just checked in with CD 14 - it seems like they weren't called.

Granted, I think with Huizar finally coming out strongly and publicly with his support behind demolition / for LT / for the Civic Center Master Plan, it's less of a concern, but being vigilant and prepared just in case is definitely always good.

I truly don't understand why they want to fight this all the way to the very finish.

Hi All,

Just received a message that the LA Conservancy are making phone calls to City Council offices. I think they will be at City Council for the vote! We need to be prepared,
